Dr. Joshua Lederberg  
Department of Genetics  
University of Wisconsin  
Madison 6, Wisc.

Dear Joshua:

I would like to have PLT-22, 22V, and indicators when you have time. It will probably be some time before I can do anything with them. In any case I will talk to Zinder before making any plans. Maybe he will have solved all the problems.

Best wishes to you and Esther.

A. D. Hershey
